YOU HAVE A BEAUTIFUL FACE

BUT YOUR NOSE ?

IN THIS DAY AND AGE attention to your appearance is an absolute necessity if you expect to make the most out of life. Not only should you wish to appear as attractive as possible, for your own self-satisfaction, which is alone well worth your efforts, but you will find the world in general judging you greatly, if not wholly, by your "looks," therefore it pays to "look your best" at all times. **Permit no one to see you looking otherwise;** it will injure your welfare ! Upon the impression you constantly make rests the failure or success of your life. Which is to be your ultimate destiny ? My new *Nose-Shaper*, "TRADOS" (Model 22) corrects now ill-shaped noses without operation quickly, safely and permanently. Is pleasant and does not interfere with one's daily occupation, being worn at night.

Write to-day for free booklet, which tells you how to correct ill-shaped noses without cost if not satisfactory.
